

## Principal Report

### What A Success!

Thank you to everyone for supporting the Carlton South Public School 100th Anniversary Open Day and for making it such a rousing success! It was certainly a long time coming and I felt very proud of how it all came together. Even the rain managed to stay away! Events like this don't just happen and I would like to acknowledge everyone who contributed to the success of the day. There are too many names to list, however I'd like to thank some of the main contributors.

A special mention of course, to our P&C who coordinated much of the event, and the parent volunteers who helped coordinate the school stalls for each stage. Our school staff, including teachers, admin team and support staff who worked tirelessly behind the scenes to help contribute to the day. Our school's anniversary committee were also a driving force with many of the team giving up a lot of personal time to ensure the event all came together. A personal highlight for me was the opportunity to engage with so many former staff and students to hear their stories from the past. I also thoroughly enjoyed the performances from the students, ex-students and members of the community.

The day also provided an opportunity for us to launch our new school logo which was well received. Students also contributed positively to the day through work samples displayed in the classroom, hallways and MacKenzie Hall. I have received a lot of feedback about the high quality of student work on display. Overall, the success of this event could not have been achieved without the team of volunteers working collaboratively to support one another. It was a real team effort and thanks to everyone for their contribution no matter how small it was!

We met as a P&C last Wednesday evening where we discussed the success of the event and the positive response from the school community. It has certainly been one of the highlights in recent years. Thanks for your partnership and collective efforts.

### Cancellation: 100th Anniversary Dinner

Whilst we are all on a bit of a high after Open Day, we unfortunately had to make the decision to cancel the 100th Anniversary Dinner which was supposed to be held on Saturday, November 19 at St George Leagues Club. This decision was only made last week. If you purchased a ticket or tickets, you will receive a full refund. Our Business Manager Jaqui Simmiss has organised the refunds, so please contact her if you have purchased tickets and have yet to receive your refund.

### Staff News

Mr Jeryee Lee has had to take some unexpected leave this week and this will continue until the end of Week 6. He will be replaced by Miss Lisa Pai and Mrs Kate Weekley who worked with the students in 1L during Term 3 this year. We are very much looking forward to having Mr Lee back leading the Stage 1 team as soon as possible.

On Sunday, October 22 Miss Maria Tsevrementzis married her fiancé Stefan. They are currently on their honeymoon in Fiji. When Maria returns, we will be sure to post some photographs from their wedding day (hopefully in the next edition of the newsletter). During her absence, the students in 2T will be taught by Miss Annalise Farah.

The school will also begin the recruitment process next week to fill two vacant assistant principal positions for 2023. Once this process is finalised, I will be sure to update you of the outcome, so watch this space.

## P&C Update

Last week our school's P&C held its Annual General Meeting (AGM). At the AGM, a new president Jati Teoh was elected along with a new secretary Fayette Fung. Daneen Duarte will continue as treasurer, however she will be joined by a new office bearer, Roselin Nusantara. We are very much looking forward to working with this new team of parents into the future.

I'd also like to take this opportunity to thank the outgoing team of P&C office bearers and committee members namely; Andrew Karamitos, Lisa Laaman and Heidi Breeze for all of their support over many, many years. Heidi Breeze will continue to be involved in the P&C next year and will be responsible for coordinating fundraising initiatives. As I have said on numerous occasions, Carlton South PS would not be able to operate as effectively as it does without the support of our P&C and their team of dedicated parent volunteers. Thank you for all your hard work!

## Enrolling for 2023

Please do not forget to let the school know if your child or children will not be returning to Carlton South PS in 2023. It is important that this information is received by the school to assist us with planning for next year.

Also, if you have a child or know of a child ready for school next year within the school's catchment area, please get into contact with us. During the last week, members from our school executive team have met with many of our incoming kindergarten students and their families for an interview. This is the first step for these students in the transition process. Further transition sessions for Kindergarten students are planned for Tuesday November 22, Wednesday November 23 and Thursday November 24. These sessions will take place from 9:00-10:30am.

## Public Speaking Update

Congratulations to the students who represented Carlton South PS at the recent School Performance South Primary Schools Public Speaking Competition. Four students represented our school at the network finals and two students, Husain (Kindergarten) and Vibha (Stage 2) performed exceptionally well. Husain and Vibha received highly commended awards and were named 'runners-up' for their respective age groups. When you consider how many students were involved in the competition, this is an outstanding achievement.

Congratulations to Husain and Vibha and well-done to Miss Chloe Barker, our coordinator for her support and passion for public speaking.

## Congratulations Lisa!

Congratulations to our school's library assistant Miss Lisa McKerlie who competed at the Special Olympics (Australia National Games) held in Launceston last month. Lisa competed in tennis (singles and doubles) placing fifth and third overall. Her smile beamed last week as she entered the school office proudly wearing her bronze medal! Congratulations Lisa on your remarkable achievements, we are all so proud of you.

*Lisa with School Administration Officer  
Mrs Lesley White*

## Newsletter

This newsletter will be the second last of 2022. We will aim to deploy our final newsletter of the year in Week 8 of this term. Moving forward into 2023, we continue to update you all with two newsletters per term and will aim to deploy these in Weeks 4 and 8 of each term. In the meantime, to keep connected and informed, please ensure you download the School Enews App.

Have a fabulous next few weeks!

Darren Galea  
Principal

# Deputy Principal Report

## 100th Anniversary Celebrations

What a fabulous day our wonderful community experienced on Saturday 22 October. It was truly a day that will live on in the memories of so many people. A day that demonstrated the amazing community we have here at Carlton South and how we can all work together to create a special event. We would like to thank everyone for coming and enjoying the celebrations; without you we would not have been able to create such a special event. An enormous thank you must go to the anniversary committee for the many hours of work that went into organising the successful day; Mrs Selina Tilling, Mrs Anna-Marie Haswell, Mr Galea, Mrs Jenny Ferlazzo, Mrs Angela Hetherington and Mrs Ann-Maree O'Donnell. We are grateful to our hard-working and dedicated P&C who also worked many hours organising many of the fun activities for the day. To the teachers who prepared the band, choir and dance group performances on the day, we appreciate your commitment to creating this wonderful opportunity for our students. Our school executive did a great job coordinating the stage-based activities that enabled students to have fun experiences on the day. Our wonderful teaching and non-teaching staff who helped the committee, created work samples and came all day to ensure the day ran smoothly. It was an immensely enjoyable day and it will, I am sure, be extremely memorable to all in our community. Thank you to the students who created artwork, wrote stories and came on the day to enjoy themselves. Below we have published some memories from students who attended on the day.

## *What was the most memorable part of Carlton South PS's 100th anniversary celebrations?*

### KK

**Ava** - I remember the tea cup ride.

**Lazu** - I remember playing with my friends.

**May** - The haunted house.

**Saras** - The trampoline.

### KR

**Zafrin** - Showing my work and classroom to my family. Listening to the school band.

**Nala** - Meeting my friends and enjoying the rides. Watching the dancing on the stage. The tea cups and petting zoo.

### KA

**Marcus** - The haunted house because it had a lot of balls.

**Giselle** - Going to the store to buy a llama bag that I chose.

**Jingrong** - Sprinkle ice creams.

### KJ

**Marko** - The rides and seeing my friends there.

**Aarshi** - Getting to perform my dance in my costume on stage in the Kindy dance group.

### 1B

**Aaron** - My favourite thing to do is the yo-yo.

**Lilia** - Yesterday I went to the 100 anniversary and I went on the yo-yo.

**Aisha** - Rotations because my teacher planned for the best chalk writing on concrete.

**Alex** - The fair with lots of rides, like the big swing rotations - 100 years fun.

### 1L

**Avi** - Rides and food.

**Emma** - I like the tea cup ride.

### 1V

**Caleb** - The most memorable part was the rides.

### 1G

**Tia** - At the celebration, I made a plush toy by stuffing it with soft material. I also enjoyed the lolly bag stall. The day was fun!

## 2J

**Aga** - When I got to see my friend and do my dance

**Claudia** - Rides was the best

**Celine** - The dances and performances was the best

## 2H

**Eva** - The most memorable parts of the 100th anniversary were when Ivy and I went on the sizzler because it went zooming off and we were screaming. Also the yo-yo was terrifying because you had to hold on really tight.

**Chelsea** - The most memorable part of the day was performing on stage in the Stage 1 dance group and going to the petting zoo so I could pat the animals.

## 2T

**Lola** - My favourite ride was the sizzler and I liked getting my hair braided.

**Jake** - Going on the rides with my friends and I loved the petting zoom.

**Alex** - My favourite ride was the yo-yo because it was a fun challenge to not scream and I was not scared. I had the wrist band so I went on the yo-yo 5 or 6 times.

**Zane** - My favourite part was the showbags.

## 3P

**Vibha** - The most memorable part for me in my opinion was spending times with my friends on the most wonderful rides and making new ones. I don't think I'll ever come across an amazing celebration and opportunity like this.

**Salvatore** - My most memorable moment was when I went on a fantastic ride called the yo-yo. The yo-yo is a ride that brings you about 10m high and spins you around in circles.

**Adora** - I loved all the fun activities but I mostly liked the rides Because I have never been to most of them. The fun rides also gave me a bit more confidence after I tried them.

## 3C

**Aara** - The most memorable part of CSPA 100th anniversary is the band, choir and dance performance.

**Richard** - Me seeing everyone and me seeing new faces.

**Ethan** - The most memorable part of the 100 year anniversary was the rides.

**Anita** - My performance because it was so fun, so was the yo-yo.

**Leah** - I loved going on the rides and performing a Greek dance on the stage with everyone, especially my friends.

## 4H

**Rohan** - The most memorable part of the 100 year anniversary was the rides. Many people could easily have said the rides were the best.

**Talisa** - The most memorable part of the 100th anniversary were the spectacular rides like the yo-yo and the sizzler, but I loved watching the school dances.

## 4J

**Amindai** - The most memorable part for me was being able to see friends and former students that used to come here and performing in front of lots of people.

**Mahdi** - I think it was the rides because mostly everyone went on the rides.

## 4S

**Nicole** - People from the community and students from different schools came to celebrate.

**Nathan** - I think the most memorable part about Carlton South Public School's 100th anniversary is families and friends having fun with each other and making a memory.

**Melna** - People and kids having fun with their family and friends.

## 5-6S

**Valentina** - The most memorable part was to see how many people turned up and the fun everyone had, especially to see a smile on our school staff's faces.

**Christian** - A blissful, memorable time with friends and family . The glamour of the traditional Turkish gozleme was out of this world.

**Christopher** - The most memorable part was the sponge throwing and travelling with my friends.

**Ethan** - The most memorable part for me was seeing former CSPA students return and the library photos and scones.

**Ashanti** - The 100th anniversary was probably one of the best days ever. I enjoyed it so much and everyone probably did too. I am so grateful to be in this amazing school.

#### **5-6B**

**Ayah** - The most memorable part was seeing all of my old teachers and spending time with all my friends.

**Daisy** - The dance and choirs did a great job at performing at the 100th anniversary.

**Hannah** - I loved attending the CSPA fete we had last Saturday. The fun and lively atmosphere we had was really enjoyable for our community. I noticed some familiar faces too!

**Adrian** - The most memorable part was the rides and the dances.

#### **5-6J**

**Zac** - Looking at the awesome rides and eating delicious gozleme. Also seeing some of my friends.

**J'tairik** - We learned what they did for art by hammering shapes with nails and that they made teddy bears.

#### **5-6A**

**Amber** - The most memorable was probably the Saturday fair with the rides! That was the most fun and memorable and exciting. I loved it so much that I wish I took photos!

**Natalia** - CSPA's celebrations were great, especially spending quality time with my friends before moving to high school. Along with making new memories that I can cherish forever.

**Serene** - In my opinion the most memorable part was when we got to sit and work altogether with our friends doing our art creations. It was nice getting to see old friends and some of the old students and teachers.

**Helen** - The most memorable part was when Stage 3 did activities for the whole day like making teddy bears and doing string art. I also liked when on the 22nd on Saturday the whole school became like a theme park with the rides, food trucks and little stores.

**Jesse** - The most memorable part is the fun activities that we got to do.

#### **5-6T**

**Bhadra** - The most memorable part is that everyone got involved in all activities and that I could perform as a CSPA student in dances and in the games, the art; for me the whole anniversary was memorable.

**Alan** - I think the most memorable part was facing my fears of rides with my friends.

**Ayane** - The most memorable moment was being able to participate in all the fun activities, rides stalls etc, with my friends and being in Year 6 made it even better!

**Olivia** - To me the most memorable part was definitely seeing how much fun it was. Everybody was getting along and hanging out with each other. I loved seeing so many people being dedicated to the school.

**Prisha** - The most memorable part was when students and teachers who used to come to this school come and have loads of fun with each other at many activities.

**Olivia** - The most memorable part was the band performance, It was thrilling to come up on stage to perform.

**Catherine** - I think that the most memorable thing is seeing all the people from all ages come back to see. It was just nice to see everyone coming and even people from university.

#### **5-6KA**

**Georgia** - The most memorable thing was going on rides with your friends and looking at your pictures in the hall.

**Shivaank** - The rides. They took up the whole allotment and will definitely be a day to remember until the 200th anniversary.

**Alaa** - It was fun doing the 100th year anniversary activities because I got to hammer a heart.

#### **5-6R**

**Lucas** - The most memorable part was the rides and all the old teachers that retired and teachers that went to other schools.

**Amy** - The most memorable part was writing about the future of transport. I got to write about what I thought the future of transport will be like.

**Andrew** - That many people came and enjoyed the festival and everyone worked together to create a good festival.

**Sophia** - The most memorable part was when the P&C reached their goal and the activities we got to do and food we got to eat.

**Mehmood** - Writing about the 100th year anniversary which was the future cars.

**Antonio** - The most memorable part is the fun day with all the rides.

## **World Teachers' Day, 2022**

Last Friday 28 October was World Teachers' Day in Australia. This day occurs every year and provides the community with an opportunity to celebrate and thank teachers for the extraordinary work they do every day. Teachers demonstrate an enormous amount of commitment to ensuring that students are known, valued and cared for and that they demonstrate growth in literacy and numeracy each year. On Friday, we recognised and appreciated teachers and the important role they play in shaping the fabric of our society.

World Teachers' Day is an opportunity to celebrate the 160,000+ hardworking and dedicated primary, secondary and early childhood teachers in NSW. We would like to acknowledge the hard work that all teachers put in on a daily basis; we appreciate all of the effort that they put in; the enormous amount of hours spent planning teaching and learning so that students can thrive socially, emotionally and academically- many of those hours going unnoticed by the majority of people.

## **Happy Birthday Mrs Lesley White!**

This week our longest-serving staff member celebrated her 80th birthday. Mrs Lesley White, who has worked at our school for 40 years and was also a former student, is an integral part of the Carlton South PS community. Thank you to Mrs White for your enormous contribution to the day-to-day running of our school. We appreciate your commitment to our school and wish you all the best as you celebrate this wonderful milestone. Below you will see some photos where the P&C presented Mrs White with a beautiful gift.

## **Banks Primary School Christmas Card Competition**

Each year the Federal member for Banks, Mr David Coleman holds a Christmas card competition and entries have now opened. Mr Banks will feature a drawing from a student within the Banks electorate on his annual Christmas card. All students who enter the competition will receive a certificate of appreciation. The winning entrant will have their drawing published on Mr Banks' 2022 Christmas Card. The winning entrant will also receive a special certificate at a presentation to be held in December. If students are interested in entering, they will need to complete a form (which will be posted on School Enews soon) and send their drawing via mail.

The closing date for entries is Friday November 25.

## **Leaving the school at the end of 2022?**

The school executive is currently planning for 2022 and to assist us with structuring our classes for next year we need your assistance. The first day of school for most students next year will be Tuesday 31 January, 2023 and new Kindergarten students will be informed by letter of their starting date, once Best Start interviews have been completed. It is vital that we know if your child/ children will **NOT be returning to Carlton South** or will be returning late next year. Some families take extended holidays in January/February and we need to know your return date so that your enrolment can be counted. This information will enable the school to plan for staffing and classing needs. This week we have sent home a note that allows you to inform us if you will not be returning to our school, or if you will be returning late. You can also complete this form online, [using this link](#).

Have a wonderful few weeks.

Suzi Chosid

# PUBLIC SPEAKING REPORT

Term 3 started with an abundance of excitement, confidence and nerves with the class Public Speaking Finals. Students in years K-6 participated and engaged in learning about how to be a confident public speaker. The curriculum embeds speaking and listening to support students to write and present a well-structured persuasive text. Students were marked on criteria based on the structure of Manner, Method and Matter. Thank you to all teachers, support staff and parents for supporting students to develop this lifelong skill. After the class finals, two students were chosen to represent their class in the Stage Finals. These students are listed below. Congratulations to all students who represented their class with pride!

## Stage Finals

Congratulations to all students who represented their class in the Stage Finals of Public Speaking.

### STAGE 3

#### ***Prepared Speech Topics:***

Taine– Bringing Down the Cost of Living

Rushmila – Why Healthcare Should be Free

Sybella - Lies

Olivia - Parents

Lily - Animals Kept in Zoos

Mia - Cats

Kevin - Why War Should be Avoided

Valentina - Prisons Don't Change People for the Better

Natalie - Why We Must Protect Our Earth's Natural Beauty

Hannah - Why Bubble Tea is the Best Drink

Evelina - Inequality in Sports

Emily - How Children's Lives Have Changed Over the Years

Lucas - How I Can Make the World a Better Place

Tiana – Portugal

#### ***Impromptu Topic:***

Kindness is just essential as water!

*Congratulations to the overall Stage 3 winner Hannah, and runner up Tiana*

#### ***Impromptu Topic:***

If I could invent anything it would be...

*Congratulations to the overall Stage 2 winner Vibha, and runner up Mandi*

### STAGE 2

#### ***Prepared Speech Topics:***

Zoe - Chocolate

Felix - Pepper

Mira - Lego

Aara – Illegal dumping

Richard – My big brother

Erin– Air pollution

Sophie – The Great Barrier Reef

Vihaan – Having fun the right way

Vibha – Elephant in the room

Sofia - Why Sugar is not good for us

Mandi – What I want to be when I grow up

Jazmin - Weird and unusual creatures

## **STAGE 1**

### ***Prepared speech topics:***

Lincoln - Soccer

Anuron - Cheetahs

Zahra - Dinosaurs

Alex - Tigers

Ben - Space

Jeremy - Space

Elias - Lego

Talia - Pandas

Raphael – Why sleep is important

Zane – Why you should go to the beach

Eva - Disneyland

Ivy – Golden Retrievers

Aydin – Ferrets

Claudia – Cool things about dogs

### ***Impromptu Speech topic:*** Balloons

***Congratulations to the overall Stage 1 winner Ivy, and runner up Aydin***

***A special recognition to Alexander and Lincoln for high achievement***

***Congratulations to the overall  
Early Stage 1 winner Husain***

## **EARLY STAGE 1**

### ***Prepared Speech Topics:***

Mason – Pokemon

Durga – Monopoly

Husain – What makes me happy

Attila – Snakes

### ***Impromptu Speech Topic:*** Magic Wand

## **Kogarah Network Finals: Primary Schools Public Speaking Competition 2022**

On Thursday 20<sup>th</sup> October Hannah, Vibha, Aydin and Husain represented Carlton South Public School at the Public Speaking Finals for 2022. This year the competition was held at Blakehurst Public School. All students presented their prepared speeches with confidence, and perfect Manner. Congratulations to each finalist for representing our school with pride. A special mention to Husain and Vibha who were awarded “Highly Commended”, Runner Up in their Stage Final.

### **Impromptu Speech Topics:**

*Early Stage 1: Playdough*

*Stage 1: Slow down*

*Stage 2: It's now or never...*

*Stage 3: Be prepared*

# Stage One News

## 1V

This term in 1V, we have been developing our comprehension skills and building our vocabulary. We have enjoyed reading the book 'Flood' by Jackie French and Bruce Whatley. Our class has learnt a lot about what floods are and how they affect our world. We have learnt about what heroes can look like and who they can be. They can be people we don't know like volunteers or even people close to us, like our parents and siblings. We enjoyed writing about the heroes in our lives.

# Stage One News

1G

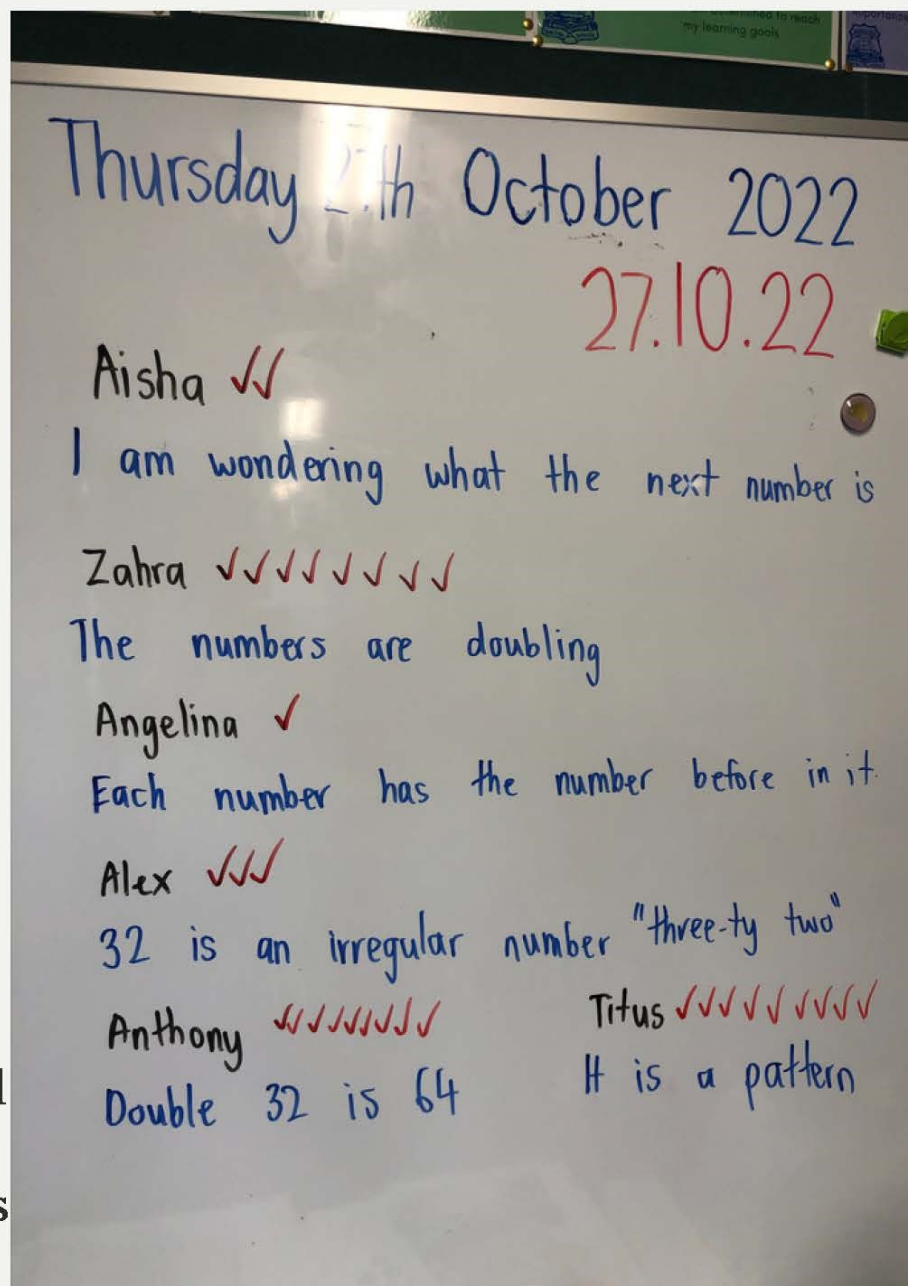

In 1G this week, we have been looking at sharing a collection of objects with remainders. Students have spoken about how when there is an uneven amount of teddies, counters or blocks, we cannot share them equally and have to leave them as a remainder. Some students have been writing the division number sentence to match the sharing problem using the division symbol!

# Stage One News

1B

In Mathematics, 1B have been participating in regular "Number Talks". Number Talks are quick mental math lessons that develop student's ability to use flexible strategies. Recently, our focus has been on patterns. In our classroom we love using Number Talks as they help us look for patterns in numbers and develop a flexible understanding. They foster a safe place for making mistakes and challenging our peers with open communication. During turn and talk, we share all of our great ideas before coming together as a class and recording some answers.

# Stage One News

## 1L

In 1L, students have been learning about strategies to improve their ability to retell fiction texts. Students have enjoyed reading a range of fiction texts such as 'The Three Billy Goats Gruff', 'The Rainbow Fish' and 'The Paperbag Princess'. Using the 'Five Finger' framework for retelling, students have developed more confidence in providing more detailed summaries of these texts to their peers.

# 5 Finger Retelling

Name Lincoln

There are 3 characters, Ronald, Elizabeth and the dragon or the prince, princesses and the dragon

They were at a castle and a cave.

The prince and the princess are getting married but a dragon burned the castle and burned

The princess went to look for Ronald and the dragon but then Elizabeth found a plastic bag so she put it

she then found the cave and a dragon came out then the princess said 'are you the smartest dragon in the world' so the princess wanted him

the princess also to Ronald

# Aburou

Name \_\_\_\_\_

The setting is in the ocean.

Rainbow fish wants to keep his scales because he is self

Rainbow fish is very lonely so he asked a starfish that told him that

Rainbow fish gave each of his scales to the fish.

The characters are Rainbow fish the other fish and the starfish

he has to visit the wise Octopus who gave him advice

5 Finger Retelling

Characters

# Stage One News

2J

In Mathematics, 2J has been learning about fractions. They have demonstrated how to show halves, quarters and eighths of a whole shape or object. The students have also applied their knowledge of fractions to solve word problems and learnt about the link between fractions, making equal groups and division.

# World problems

$$20 \div 2 = 10$$

10 have sauce on the sausages ✓✓

2H

In Creative Arts, 2H are learning about the Pop Art movement. We have been investigating the artists Andy Warhol and Roy Lichtenstein and have created artwork using onomatopoeic words on top of speech bubbles similar to those found in comics.

# Stage One News

2T

In Creative Arts, 2T has been investigating the artist Roy Lichtenstein and have created artwork using onomatopoeic words on top of speech bubbles similar to those found in comics.

# SPORTS REPORT

## K-2 School Athletics Fun Day

On Thursday 13<sup>th</sup> October, students in Years K-2 had their Athletics Fun Day. The sun was shining, and the students were bursting with excitement! First the students lined up in their house colour to do the annual "March Past". Congratulations to Goonagulla who Mrs Ferlazzo chose as winning house.

After the March Past, students rotated in their classes to participate in activities to help support their team skills, physical development and growth of their Fundamental Movement Skills. Some of the activities included parachute sprint, giant ball relay, giant connect 4, bucket stacker relay, 4-point basketball, tug o' war and many more.

Thank you to K-2 classroom teachers, Mrs Ellis and Mrs Hetherington for supporting the students on the day. Everyone had so much fun!

## 2023 3-6 Swimming Carnival

On Monday 21<sup>st</sup> November students in Years 2-5 (and strong swimmers from Year 1) will be attending Bexley Pool to compete in our 2023 Swimming Carnival. The data from this carnival will form the 2023 Zone team. Please make sure you return the note via eNews as soon as possible. Please see below the colour wristband that every child will wear:

**Strong Swimmer:** very confident in deep water and can swim 50m

**Average Swimmer:** can swim 25m confidently in deep water

**Poor Swimmer:** comfortable and confident in shallow water

**Non-Swimmer:** unable to swim and/or scared of water

We look forward to a fantastic day!

## Stage 2 AFL Incursion:

Between bursts of rain, Stage 2 had fun developing their skills in an AFL workshop.

All students had fun learning how to kick, hand ball (pass) and run with the ball.

## **PSSA Softball**

PSSA boys Junior softball have been busy making sure they "train for rain". The male students have been giving up their Monday lunch times along with after school Mondays to train and perfect their batting, catching and pitching skills. So far, boys junior softball have one win and one loss with the remainder of rounds being wash outs. Fingers crossed for the coming rounds whether win, loss or draw, they all can't wait to show the other schools exactly why they've been training so hard!

PSSA boys senior softball have been giving up lunch and after school time, regardless of the rain and other Stage 3 tasks to work on their individual skills whether pitching or base running. Wanting to make it three wins in a row the seniors are excited to get back on the pitch. First defeating Carlton PS in round 1, then Hurstville PS in round 3, we are hoping they get in another win before their bye due to Stage 3 camp!

Remember, Hit Hard, Run Fast, Turn Left!

Mrs Allen

## **PSSA Important Reminder:**

*Please make sure all PSSA players are at school on a Friday Morning by 8:00AM with the appropriate safety gear, a hat, a drink bottle and wearing full school sports uniform. If the weather wet, please wait for the announcement on eNews if it is cancelled. If there is no message, PSSA is ON and students are expected to come.*

**Remember to have correct change for the bus. Students should not be asking Manal in the canteen to change larger notes.**

Thank you for your support,  
Chloe Barker & James Palamara  
Sport Coordinators

## **1<sup>st</sup> Kyle Bay Sea Scouts**

# **Christmas Tree Fundraiser**

We are taking orders for this year's trees and would love your support. All trees are cut fresh the day before.

## *Australian* **Air League**

**NSW Group**

**JOIN NOW**

### NSW GROUP IS NOW ENROLLING MEMBERS FOR OUR NEW ONLINE SQUADRON

Since 1934 the Australian Air League has been teaching young boys and girls nationwide all about aviation, while helping them develop important life skills like leadership, discipline, self confidence and teamwork. When you join the league you will make new friends and take part in fun and exciting activities, on the ground and in the air.

NSW Group is now running an online Squadron for those interested in joining the Air League but there is no Squadrons currently in their area. We welcome boys and girls from the age of 8 years old from all different cultures and backgrounds. Parents and families are welcome to join or volunteer their time. All adult members and volunteers are Working with Children Checked.

Each week you will attend your online squadron where you will learn valuable skills and take part in fun and interesting activities and classes. Some of our classes include Meteorology, Navigation, Photography and Community Service. The Online Squadron may also attend group activities.

The Australian Air League is running both a fun and educational programme that is making fine citizens out of our young Australians.
